This exciting event will be taking place from 2-4pm on Saturday 4th June 2011.

It is being held on Ice Rink D (no ice!) at the New BMO Centre on Hammonds Plains Road.

We will have a variety of vendors to present to you. From what is going on at local parks and rec centres, to unique handmade gift designs for a very special occasion. There will be a kiddie corner, give aways, goodie bags for the first 1000 families, door prizes and so much more.

Come and get to know more about what your local community has to offer . Gear yourself up for a summer of fun in your local area!

Autism Night

All of our parents who have a child with ASD should have received an invite from us here at SBEIP to invite you to our ASD information evening.

We are proud to welcome the Provincial Autism Centre to join us for the evening. There have been many changes made at the Provincial Autism Centre, such as, giving parents a full resource binder with information that is so very relevant and such a wonderful help! Each child also gets a free book.

PAC offers great services such as OT. You won't want to miss this event. Not to mention that there will also be coffee and cakes!
